Sanitized - Approved For Release : CIA-RDP61-00391R000100080001-1

Good!

25X1A9a [redacted]

this in for our info and dispatch to appropriate divisions. We had already contacted ERA divisions. The purpose is to get divisional recommendations of additional prospects for OTR's consideration. I told him that we would prefer that he get an OTR tab run, then submit to us the list of our people that the tab run produced, after which we would comment on the names according to our observation of special traits or talents pertinent to various intensive tasks. This seems more objective approach.
